A village house, located at the foot of the castle, within the old city walls, in a quiet alley. Where in the evening the neighbors still sit on a stool in the street and chat with each other. From where you can walk to the popular Loreto district, the Marqués de Campo or the old fishing district. Completely renovated, with great attention to detail and traditional elements. Tastefully decorated and furnished - a dream, ready to move in and rarely found! The entrance hall, 2 bedrooms, a bathroom, the living, dining and the kitchen are all on one level. The patio offers cool sitting areas in the shade during the summer, and there is even a huge outdoor tub as a mini pool. The stairs lead to the large roof terrace with a view over the roofs of the old town and the castle. Here you can enjoy the sun all day in winter, let the day go by at the dining table, in the comfortable lounge or reading a book on the loungers, because there is space for all of this on this unique terrace.
